

# Executive Summary for the Feature Film, Anthony

This is a unique opportunity to invest in an impactful movie with an outstanding potential ROI 3X-15X.

The Anthony screenplay has been endorsed by Hollywood's #1 and #5 rated script consultants as one of the best scripts they've ever read. A film like this hasn't been made before. The Anthony script displays superior craft and genre dominance over top selling box office feature films that have made over \$100M worldwide. Anthony is set-up to perform better at the box office than the movie Juno which won an Oscar for best original screenplay and made \$231M worldwide.

## LOGLINE

An impoverished, brilliant kid wants to live and prove his life is valuable by standing up to the status quo and by changing the world in a major way, but will he be able to stand up to the one he loves the most?

## SYNOPSIS

In the vein of It's A Wonderful Life, Sixth Sense and Beautiful Mind; Anthony is a smart, thrilling, patriotic drama that is inspiring and compelling. Since childhood, Anthony demonstrates his convictions and boldness to stand up for himself and others. Growing up in a single-parent home, Anthony struggles with the question throughout his life of whether his personal worth is equal to his accomplishments. As an adult, Anthony battles a mysterious illness and it seems someone wants him out of the way. He uses his brilliant mind to try and prove that he is of value by defining himself as a person to his mother, Maria, to his father who abandoned him, and to the rest of the world, by striving to save millions of lives including his own.

— *Anthony is a story about the value of everyone's life and the tremendous impact we can have upon one another.*
